

Navistar Honors 'Diamond Supplier' Status To Key Suppliers

LISLE, Ill., Feb. 16, 2017 /[PRNewswire](#)/ -- Navistar this week recognized 34 top-performing suppliers with its annual Diamond Supplier Award. This select group, which represents the top two percent of the company's supply base, helped Navistar improve customer uptime and exceeded the performance expectations for quality, delivery, technology, and cost.

"We appreciate the value created for Navistar customers through the long term relationships we have with our suppliers," said David McKean, vice president, Procurement, Navistar. "We are pleased to recognize these great businesses and partners as our top suppliers for getting the job done, and doing it with excellence."

From freight and engineering services to tires, electronics, and brake systems, the Diamond Supplier Award recognizes suppliers from around the world. The latest group of Diamond Suppliers includes a diverse group of businesses owned and operated by women, minorities, veterans, small and large companies from the Midwest and other areas of the United States, as well as global suppliers from Mexico, Taiwan, China and Canada.
