

# Navistar Recognizes Top Suppliers With 2022 Supplier Excellence Awards

**LISLE, Ill. (June 30, 2022)** – Today, Navistar announced its 2022 Supplier Excellence Awards. The Supplier Excellence Awards recognize top performing suppliers from all around the world across a variety of industries. The 2022 Supplier Excellence Awards have been designed to recognize suppliers in two major categories: Performance and Leadership. The Performance Awards honor excellence in performance across quality, delivery, cost and continuous improvement, measured through performance scorecards, ranking four recipients from platinum to bronze. Further, as an acknowledgement that true partnership moves beyond mere numbers, the Leadership Awards recognize suppliers who have gone above and beyond in specific categories of quality, innovation, customer service, general procurement and logistics.

“We have seen all areas of the company focus on Navistar’s new vision of accelerating the impact of sustainable mobility,” said Chief Procurement Officer Sajid Kunnummal. “This group of suppliers has exceeded our expectations in positioning Navistar to execute on our vision, as well as driving the commercial vehicle industry towards a more sustainable future. We hold these suppliers with the highest regard and are proud to honor them with our Supplier Excellence Awards.”

This year's recipients include:

#### Performance Awards:

- Platinum – *Inteva Products, LLC*
- Gold – *Consolidated Metco, Inc.*
- Silver – *Maxion Structural Components - Mexico*
- Bronze – *DBG Limited*

#### Leadership Awards:

- Quality – *MSSL Wiring System, Inc.*
- Innovation – *T/CCI Manufacturing, LLC*
- Customer Service – *KUS Auto*
- General Procurement – *TKS Industrial Company*
- Logistics – *Absolute Group, Inc.*

“Congratulations to this year’s Supplier Excellence Award recipients,” said Executive Vice President, Operations Michael Grahe. “As we work to accelerate the impact of sustainable mobility, we are bringing reliable, innovative solutions to the industry, of which the entire Navistar system contributes, including our partners.”
