LISLE, Ill., Oct. 4, 2023 /PRNewswire/ -- Navistar Financial re-launches retail capabilities to serve International truck and IC Bus customers. A captive financial services provider for Navistar, Inc., Navistar Financial provides customers with tailor-made, competitive loan and lease financing. The structure of the new captive financial services organization will allow it to evolve to best support the development of our customers' business potential in a transformative transportation and logistics landscape.

As part of [TRATON Financial Services](#), Navistar Financial will leverage global synergies and years of global multi-brand experience to best service customers in the United States. Navistar Financial offers customers new and used equipment ownership and leasing options which include truck bodies and vehicle modifications, extended service contracts, and service solutions and will soon extend to insurance offerings and preventative maintenance

contracts.

"I couldn't be more excited to bring retail financial services back to International® and IC Bus® dealers and customers through Navistar Financial," said Koen Knoops, President, Navistar Financial. "We've hit the ground running, offering competitive loan and lease financing, including fair market value (FMV) leases to mitigate ownership risks associated with new technologies. There is a significant opportunity to become the leading partner for future transportation solutions, assisting our customers in their business developments through next phases of evolution of the transportation and logistics industry."

A launch event was streamed live October 2 for select stakeholders. Visit www.navistarfinancial.com/launch-event to view the event footage.
