

Navistar's Fleetrite® Parts Grows Retail Locations to 31, Announces Extended Product Lines

LISLE, Ill. (April 13, 2022) -

Navistar's all-makes and models aftermarket truck and bus parts brand, Fleetrite®, has expanded its retail footprint to 31 locations through partnerships with Navistar's International® truck and IC Bus® dealer networks. Fleetrite's locations provide an expansive line of products to ensure customer access and improved uptime.

"We are really excited to be a part of Fleetrite," said Duane Kyrish, President, Kyrish Truck Center. "It is a great opportunity for us to better serve new customers in our market more efficiently. As prices keep rising, Fleetrite has given our team the opportunity to offer superior value by providing high-quality, cost competitive parts."

The latest Fleetrite Truck Parts locations include:

Navistar exceeded its goal of 20 store openings in 2021 and is on track to have 50 Fleetrite locations by 2025.

"Being front and center for our customers with over 100 product lines that cover around 90% of all vehicles on the road is vital to aiding in sufficient uptime," said Chintan Sopariwala, group vice president, Parts.

Fleetrite has 16 new product launches planned for 2022, including an expanded selection of radiators, grilles and bumpers.

“When visiting a Fleetrite location, customers can see the true breadth of product options available,” added Sopariwala. “We are steadfast in opening additional retail locations in collaboration with our dealers to provide customers with better access to parts they need, regardless of where they are.”
