Supplier Excellence Award Winners

LISLE, Ill. (September 27, 2023) – Today, Navistar Inc. (“Navistar”) announced its 2023 Supplier Excellence Awards recognizing top-performing suppliers across a variety of industries. The Performance Awards honor four recipients for their excellence in quality, delivery, cost, and continuous improvement. Suppliers are measured through performance scorecards, and award recipients are ranked from platinum to bronze.

Further, as an acknowledgement that true partnership moves beyond mere numbers, the Leadership Awards recognize

“Even as the supply chain constraints continue, many Navistar suppliers have gone above and beyond to ensure they are exceeding Navistar’s expectations,” said Peter Friberg, chief procurement officer. “We are proud to recognize these suppliers and their achievements, as we continue on our journey to accelerate the impact of sustainable mobility.”
