

IC BUS ANNOUNCES 2016 SCHOLARSHIP WINNERS

Awards Recognize Outstanding Students from Families of IC Bus Dealership Network

LISLE, Ill. - September 13, 2016 – IC Bus today announced the ten college students who will receive the annual IC Bus Scholarships. Each year, IC Bus awards postsecondary scholarships to deserving students—who are family members of dealer’s employees—across the country. The scholarship program is a collaborative effort between IC Bus and its dealers to support local communities by giving funding to students pursuing a college degree.

“Each year, we are pleased to give IC Bus dealer employees and their families a chance to advance their career aspirations through this scholarship program,” said Trish Reed, vice president and general manager, IC Bus. “Our company values the importance of education and we are proud to support the entire spectrum of learning from transporting over 15 million students a day on our school buses to helping fund college completion.”

This year’s winners and their dealer representation include three memorial scholarship recipients—to honor the leadership of past influential IC Bus dealer principals:
